

BITS AND PIECES . . . AND PLEASE KEEP THEM COMING IN!

Here is your 192nd Midland Unitarian Association Inc. Bits & Pieces for July 2024. If you want any news from your congregation included here, please send it to me (details below)

MUA Inc. AIMS AND OBJECTIVES

- Support congregations
- Make things happen by providing leadership and initiating projects
- Find resourceful solutions
- Connect Unitarians in the Midlands.

MUA INC. CONGREGATIONAL SUSTAINABILITY AUDIT UPDATE

I am delighted to report that the majority of our MUA congregations have signed up for the Congregational Sustainability Audit. This week, I sent round a form to all interested parties, which comprises a series of basic questions about the church and the congregation, to be answered and returned to me. This is Part 1 of the Audit. Once you have returned the completed form to me, I will pass it on to the Sustainability Audit team, who will then contact you all individually, to arrange visits.

Part 2 (during the second half of 2024) will involve visits by the Transformers Team on several occasions, to gather information for a longer document. The team will make these arrangements directly with you. They request that **as many people as possible from the congregation** be present at the visit (especially the first one) so that a full, rounded picture of your congregation's present situation can be captured. During this first visit, there will be discussions, group activities, pairs work and a chance to reflect on what your dream future would be. It will be run like an Engagement Group style workshop. Additional visits may involve Zoom, or one-to-one discussions. The team is flexible and aims to work as efficiently as possible to gather all the information needed to inform the report.

FAITH IN OUR FUTURE II

Join an enriching, informative gathering of climate-conscious Unitarians for discussions, workshops and connection.

When: Saturday 14th September 2024
